Dear Jim,

On behalf of the University of North Florida, Division of Continuing Education, thank you for your contribution to the 5<sup>th</sup> Annual African American Professionals Conference. Events such as this would not be possible without your generous support and partnership.

A sampling of our attendee comments summaries their positive experience:

- "My husband and I extend our heartiest congratulations to you and your staff for putting together such a wonderful conference. From our first greeting in the morning to our last good-bye as we left, we had an awesome time. The excellent speakers were engaging and provided much needed thought-provoking information. We came away rejuvenated!"
- "Facilitators were extremely knowledgeable on subjects. The presentations were well rounded to meet the needs of the visual, kinesthetic, and/or auditory learners."
- "All of the sessions were most beneficial everything that was said and done."

We look forward to working with you in the future.

Sincerely,

Steven J. Borowiec
