November 17, 2003

Dear Rodney,

WOW, Great, I'll never forget... Awesome, were just a few of the comments as participants sat, high- fived, questioned, laughed and cried during Jim's presentation. His energy and insight with the audience was truly exceptional.

We appreciate the opportunity of having Jim be a part of our Fifth Annual Southwest Center for Accelerated Schools Conference.

Warm regards,

  
Joan Vasbinder, Assistant Director
